

You are welcome at our office on the Kerkewijk in Veenendaal.

## Reconstruction of the Kerkewijk

Between January 2021 and June 2021, the final phase, the section between the Bilderdijkstraat and the Middellaan, will be worked on. Because a part of the road will always be open during this period, the Kerkewijk is no longer a through road. Our office is therefore more difficult to reach from Elst / Rhenen, so we have indicated the alternative routes below.

## Alternative approach routes

### From Elst (N416)

- Turn left onto Cuneraweg / Rondweg-West
- Continue on the Rondweg-West 2.2 km
- Turn right onto Het Goeie Spoor
- Turn right onto the Kerkewijk
- Our office is located after 550 m on the left

### From Rhenen (N233)

- Take the third exit on the traffic circle to the Cuneraweg / Rondweg-West
- Continue on the Rondweg-West 2.2 km
- Turn right onto Het Goeie Spoor
- Turn right onto the Kerkewijk
- Our office is located after 550 m on the left

**From the A12 (both directions) our office is just accessible.**
